Description:  
We live in a world that is desperate for heroes. Super macho film and TV starts, professional athletes, rock stars and “the rich and famous” are held up to us as role models. Yet deep within the pages of the Old Testament, we meet real, flesh-and-blood people like us, with both weaknesses and strengths, who provide us with genuine models we can imitate. Unfortunately, large portions of the Old Testament remain a closed book to many.

This 12-week interactive study will help you open the Old Testament portion of God’s revelation and to discover the buried treasures that lie within. We’ll examine Scriptures, analyze modern video clips, share testimonies, and facilitate group discussions to expand your understanding of the ways of our God as we work through these Old Testament character studies.

Course Objectives:  
• Encourage participants to live out God’s Word by our careful reflection on the successes and failures of men and women who have gone before us.  
• Apply lessons learned from Old Testament characters as a stirring exhortation to fruitfulness, genuine faith and heartfelt obedience.
